RE: Erratum
GN Docket No. 93-252

Dear Mr. Caton:

Appendix B to the reply comments of Southeastern SMR Association and other SMR operators contained a chart listing licensees in the 856-861 MHz channels in Boise, Idaho. Through inadvertent use of an automatic computer numbering system, the channel numbers do not conform to the FCC channel numbers listed in Section 90.613 of the rules. To avoid confusion, Appendix B is resubmitted herewith to correct the chart and make it consistent with the FCC's channel designations.

Should additional information be necessary, kindly communicate directly with this office.

Very truly yours,

Raymond J. Kimball
